

Washington State ATR Housing Services

Vince Collins

ATR Project Director

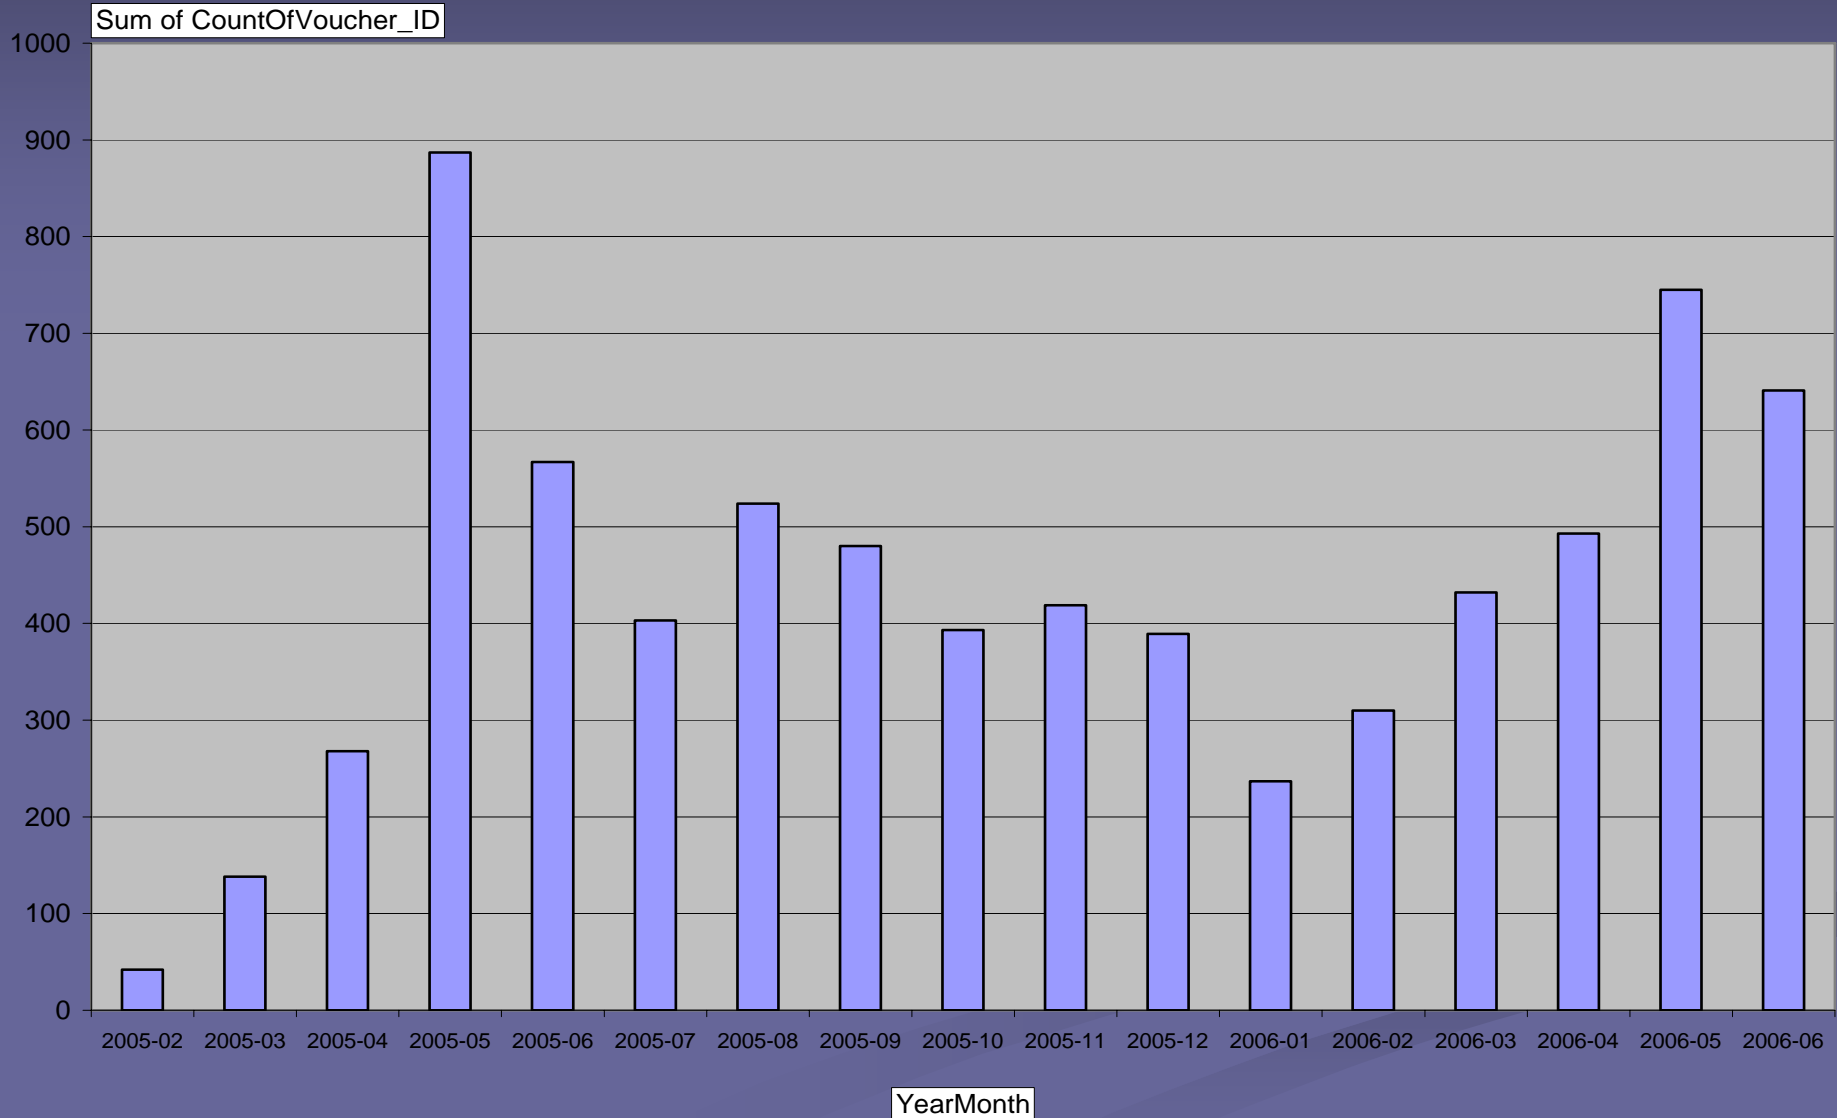

July 26, 2006

Washington State ATR

- County based model (in 6 of 39 counties)
- Emphasis on Wrap Around Services
- County models are distinct but report outcomes to a statewide data system
- Counties meet regularly to share information
- Strengths – local control focused on local priorities
- Challenges – Meeting federal/state expectations

All clients received other ATR services
Total N = 1141 (about 20%)

Client Survey Question:

What does ATR do well?

- For the first time in my life I truly think that I have a chance to make it in life. ATR has given me just the help I need to bridge the tough gap between failure and success.
- I am sincerely grateful and quite blessed by my group, group counselor, and ATR programs which do so much to help me take good care of me. Because I'm worth it.

Client Survey Question:

What does ATR do well?

- They are very flexible with whatever needs that may arise that are directly related to my recovery.
- "Given evolving policies and rules", Susan was **EXEMPLARY** in communication and service.

Client Survey Question:

What does ATR do well?

- For the first time in my life I truly think that I have a chance to make it in life. ATR has given me just the help I need to bridge the tough gap between failure and success.
- This is a poorly worded question. My experience overall was pleasant. Received sound counsel and assistance from Patty. Thanks again Patty and Sheryl!
